WORNING LEADER

PUBLISHED BY E. COWLES & CO., ú 144 American Bulldings, Superior o, D PAGH | Editore.

MONDAY MOUNTING, JUNE 3, 1861. All Reading Matter on this page is from our Saturday Afternoon's Edition.

We call the attention of our readers to the article published herewith, respecting the State and county levy of taxes for the car rent year, which is especially important to he read and understood, as the laws passed at he last assion of the Legislature upon this subject have not been published. This article briefly states the provisions of those sets. year 1861; the following rates, anything in The County Commissioners meet on Monday June 3rd, to make the assessment. The on such portion of the aggregate value of limitations imposed upon the County Commissions: s and Beards of Education, will, if ceed one million of dollars, eight mills; and complied with, make an aggregate deduction on such portion as exceeds this sum, two of local taxes in the State of nearly one half and one half mills. million of dol'ars, as compared with the assessments of past years. The Relief Fund for the families of the soldiers mustered into the buildings, and all the general and inci-State, or United States service, which is authorised to be mind, will make a total sum of four hundred and flity thousand dollars in and the erection of school buildings, three the State. It is therefore highly important that our local authorities should attend to the matter without delay.

Papers throughout the State will do their to pay the principal or inierest on the r spective localities a service by publishing Mr. Baldwin's article, or otherwise giving the information contained therein. And it is hoped that those having charge of the pub-the country, may be in addition to the limilication of the laws, will not neglect the tations imposed by said Act." early publication of these acts.

The Pittsburg Chronicle of last Friday itation of eight mills will authorize a total he shipped to Washington, and thence to Or in other words, the aggregate assess-Old Point Comfort, with as little delay as ment in any county, for county taxes, inclupossible. It is intended for Fortress Monroe, sive of the taxes for road, bridge and poor and will be put in position immediately on purposes, cannot exceed a rate of assessment its arrival at that point. The Union' is of more than two and one-half mills, adding beavier than the Tloyd' and will throw a thereto such rate as will make in the aggreball between six and seven miles. It is per- gate the sum of five thousand and five hunbass the beaviest piece of iron artillery ever | 4red dollars in the county. manufactured, and the result of the experiments which it is proposed to make with it of two and a half mills would make \$10,000, will be looked for with interest."

Another pleasant instance of the love for county. If the valuation is \$5,060,006, a the Union, of which Baltimore bousts since love of two and a half mills would make the city was occupied by Federal troops, is \$12,500 tax; add thereto \$5,500, and you reported. Two large guns as route for Fort have \$18,000 as the total taxes which the lute necessity of holding and possessing the city, to intimidate the rebels who thus seek to harram the Union men.

Seconsion Crashed in Parkersburg, Va. Since the arrival of the Onto troops at active service of this State," may be such rate. He would take especial pleasure in injecting arrival of the Commissioners does necessary, not exist and residence in his value and rendering him as rigid as Parkersburg, Va., the secession element there is nowhere. Shorking Accident. An Ohio Regiment Thrown Off the Track,

CHILLICOTHE, May 31, 1861. Da. Wa. B. Hawker:
Duan Siz: Yesterday a terrible accident suppened on the M. & U. R. R., twenty miles test of Chillicothe. The ballance of the 22d degiment, with Col. Gilmors, arrived here at

clock P, M., and were received by nearly the whole population of our city, nearly every one providing a basket of provisions for the soldiers. The train started about 4 P. M., and all in the highest give, and with the warmest wishes of our citizens. In the vicinity of Raysville, an axle broke on the tender, which drew six cars off the track, eft and right. Such a sight, eye-witnesses say, they never saw before. Some of the cars were entirely demolished and broke in splinters. Ten were killed on the spot, and between thirty and forty were more or less injured. Some had a leg, some an arm, some their heads, and some backs broken. One more has died since, and several others can-

teachers, purchase of fuel, repairs of school mall, and sick, dead and wounded, at 2 o clock this morning, and the sight was sickening I never saw so much misery at one time; but not a groun escaped the sufferers. This morn-ing they were taken to crivate boarding dental expenses for the maintainence of schools, except for the purchase of sites uses, and well taken care of. There is one consolation, that the accident did not happen through a collision. It has thrown quite a The above limitations are subject to the loom over our city, after the hospitality that

all in their power to make the sufferers com-fortable. You may see other statements in therized by law to provide for the expenses arising out of the military operations of the papers, but this is as near correct as can ot at. Yours respectfully,
A. HAUTMANN.

line line, arrived here, says the storehouse and supplies for a large portion of the Wednesday or Thursday. Southern country are three flouring mills, which are turning out 3000 barrels of flour daily, all of which goes to feed treason.— He says there are thousands, in his opin-ion, who only wait to see Federal bayonets Generalship tendered him by Gov. Jackson. and the Federal flag to return to their con-stitutional obligations.

A portion of the Garibaldi Guards who went down to the Arzenal yesterday for arms, on receiving muskets, threw them down declaying they would have rifles. The officers to whose fault this breach of disci-pline is attributed, may be cashiered to day. The regiment received muskers at the ar-senal temporarily. Three men stepped from the ranks and declined to take the arms offered. The Col. handed his pistol to the Licutenant and told him to shoot any man who refused to obey orders to return to the ranks. The three returned, the whole loudly cheering.

The movements of Gen. Butler are considered.

ered as indicating an intention on his part not to trouble Sewell's Point, or Norfolk, at present, but to strengthen his position on the other side of James river, and intends to move forward to Richmond. Gen. Scott favors the establishment of retired list, and Gen. Wilson, Chairman of the military committee, will introduce and do his best to carry such a bill through.

A traveler this evening direct from Rich-

mond, reports that comparatively few troops

were in Richmond as late as Thursday morning, the majority being sent away immediately on their arrival. Times dispetch: The number of rebel troops at Harper's Ferry is estimated at 8,000, this includes all within five miles of the Railcond bridge These are all equipped with the exception of arms. At least one thousand of these men have only fint lock muskets. The bulk of

these men are encomped on the heights west of the village. They have a battery of two six pounders and one thirty-two pounder all on the Maryland beights. They have four batteries overlooking the bridge, and from three-quarters of a mile to three miles distant these command the forces from Manassas Junction. These batteries
